

# Accessibility Plan

## Wheatley Hill Community Primary School

<b>Author:</b> <i>Alan Scarr</i>
<b>Head Teacher:</b> <i>Alan Scarr</i>
<b>Chair Of Governors:</b> <i>Jayne Dinsdale</i>
<b>Date Written:</b> <i>July 2017</i>
<b>Adopted by Governing Body:</b> <i>July 2017</i>
<b>Date for Review:</b> <i>July 2018</i>

At Wheatley Hill Primary all children are treated with respect and we strive to ensure equality and fairness for everyone. We are committed to ensuring all children have equal access to the school environment and all aspects of the curriculum. We regularly review our procedures and have recently conducted an audit to help us look to improve our accessibility arrangements. The implementation of this plan will be monitored closely and updated as required.

	Target	Strategies	Outcome	Timeframe	Review of goals achieved
Short term	Availability of written material in alternative formats Ensure that correct contact details are offered to parents 03000269995	The school makes itself aware of the services available through its LA for converting written information into alternative formats	If needed the school can provide written information in alternative formats	ongoing	Delivery of information to disabled pupils improved. Written information available to all.
	Signage available to notify availability of alternative written forms	Signage to be put up around school building to notify alternative forms available	Disabled pupils and their families will be aware that if needed the school can provide written information in alternative formats	Autumn term 2017	Delivery of information to disabled pupils improved. Written information available to all.
	All door vision panels to give clear view	Remove all posters from door vision panels	A clear line of vision through all door ways	Autumn term 2017	accessibility and mobility around school increased
	Staff and visitor car park to have designated disabled parking bay and a safe route for pedestrians.	Company to install parking bay and designated route signs	A safe parking and route for all staff and visitors	Summer 2017	At Dec 2016- company commissioned to install- currently awaiting suitable date

Medium term	Install signage around village and local area and ensure drop kerbs fitted where appropriate	<b>Highways agency</b> to undertake works to make local area accessible to disabled pupils and families	The school route can be easily identified	To be determined by LA timeframes	Highways have advised they have limited funds and that they will not take responsibility for signage for individual schools but can provide the services for approx. £800 per sign. School currently looking at available funding streams and local grants. School to approach police commissioner Ron Hogg
	Continued training for existing and new staff on ensuring the curriculum is accessible to all	As new initiatives are introduced and new children arrive staff would benefit from updated and ongoing training	Staff are able to fully meet the requirements of all children with regards accessing the curriculum	Ongoing training updates	Increased access to National Curriculum. Close any gaps between disabled pupils and their peers
Long term	School plans to improve access to designated areas over successive years. The school decides which of its entrances and exits have priority and plans to fit handrails, sensory/tactile signs at entrances. Costing to be calculated to install switches which are disability compliant.	Planned use of minor capital resources and discuss with LA using any additional access funding/grants	Having secured additional funding over a three year period the school's entry areas will be fully accessible	Summer term 2017/18	Physical accessibility of school increased
